Europaweit im Notfall nur eine Nummer

Von red 24. Juli 2013 - 13:41 Uhr

Die Zazenhäuser Wehr hat ihre Fahrzeuge mit der "112" beklebt und will damit den Notruf besser bekannt machen. Dies ist notwendig, denn in Deutschland wissen nur 17 Prozent der Bevölkerung, dass die 112 europaweit gilt.

Stuttgart-Zuffenhausen - Aus Anlass der anstehenden Reisezeit informiert die Freiwillige Feuerwehr Zazenhausen über den europaweiten Notruf
